GUNNISON COUNTY

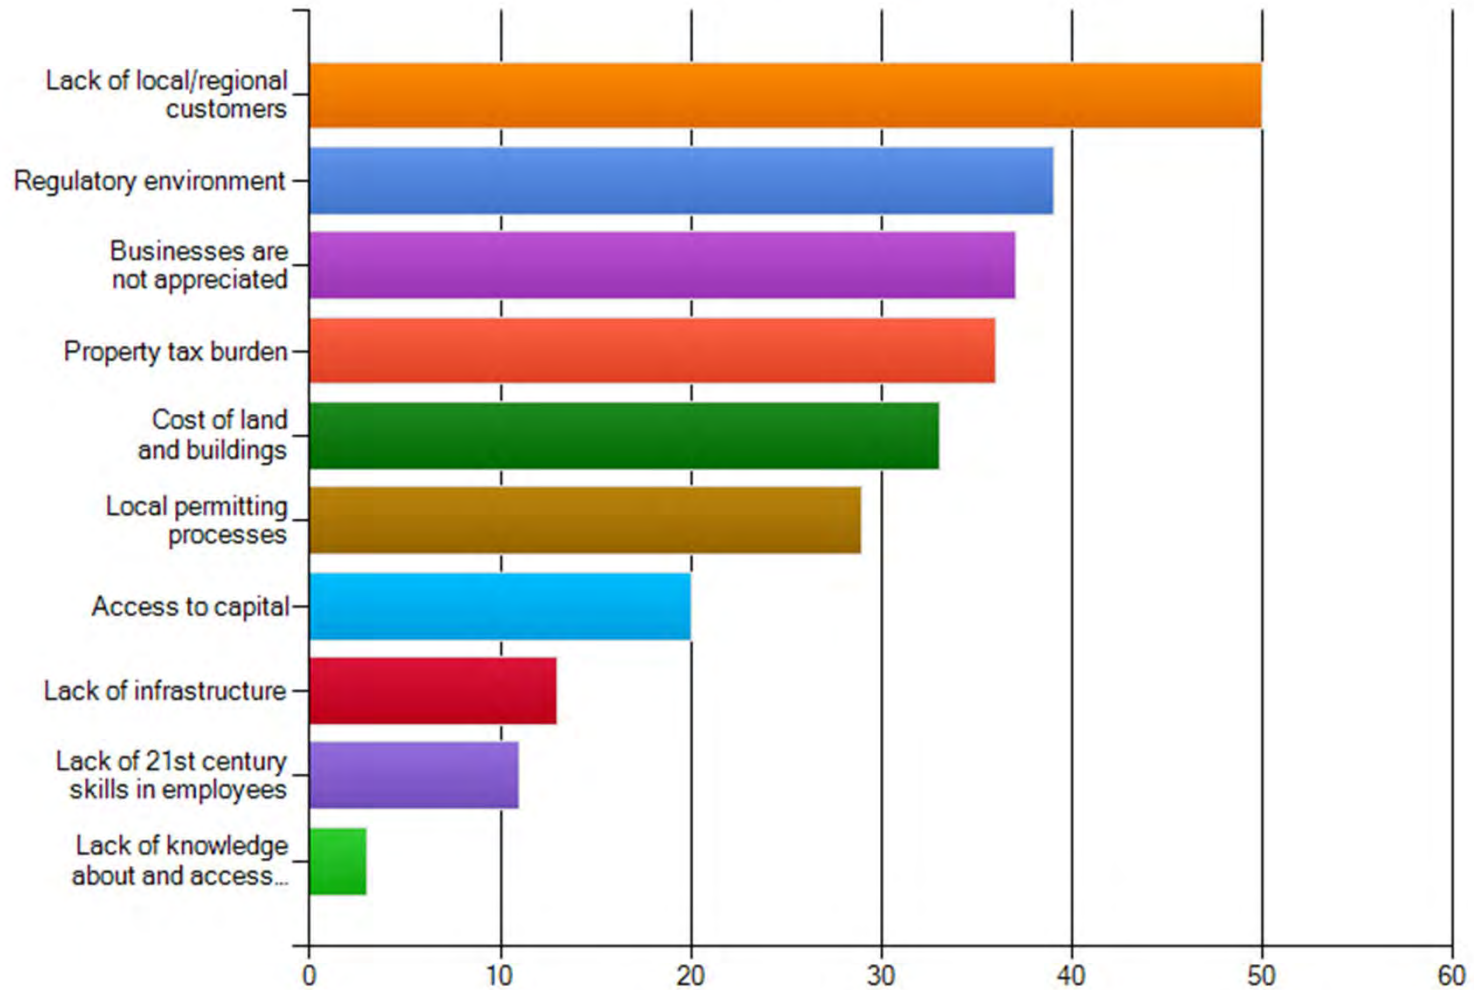

**Business Owners Economic Development Survey
March 2011**

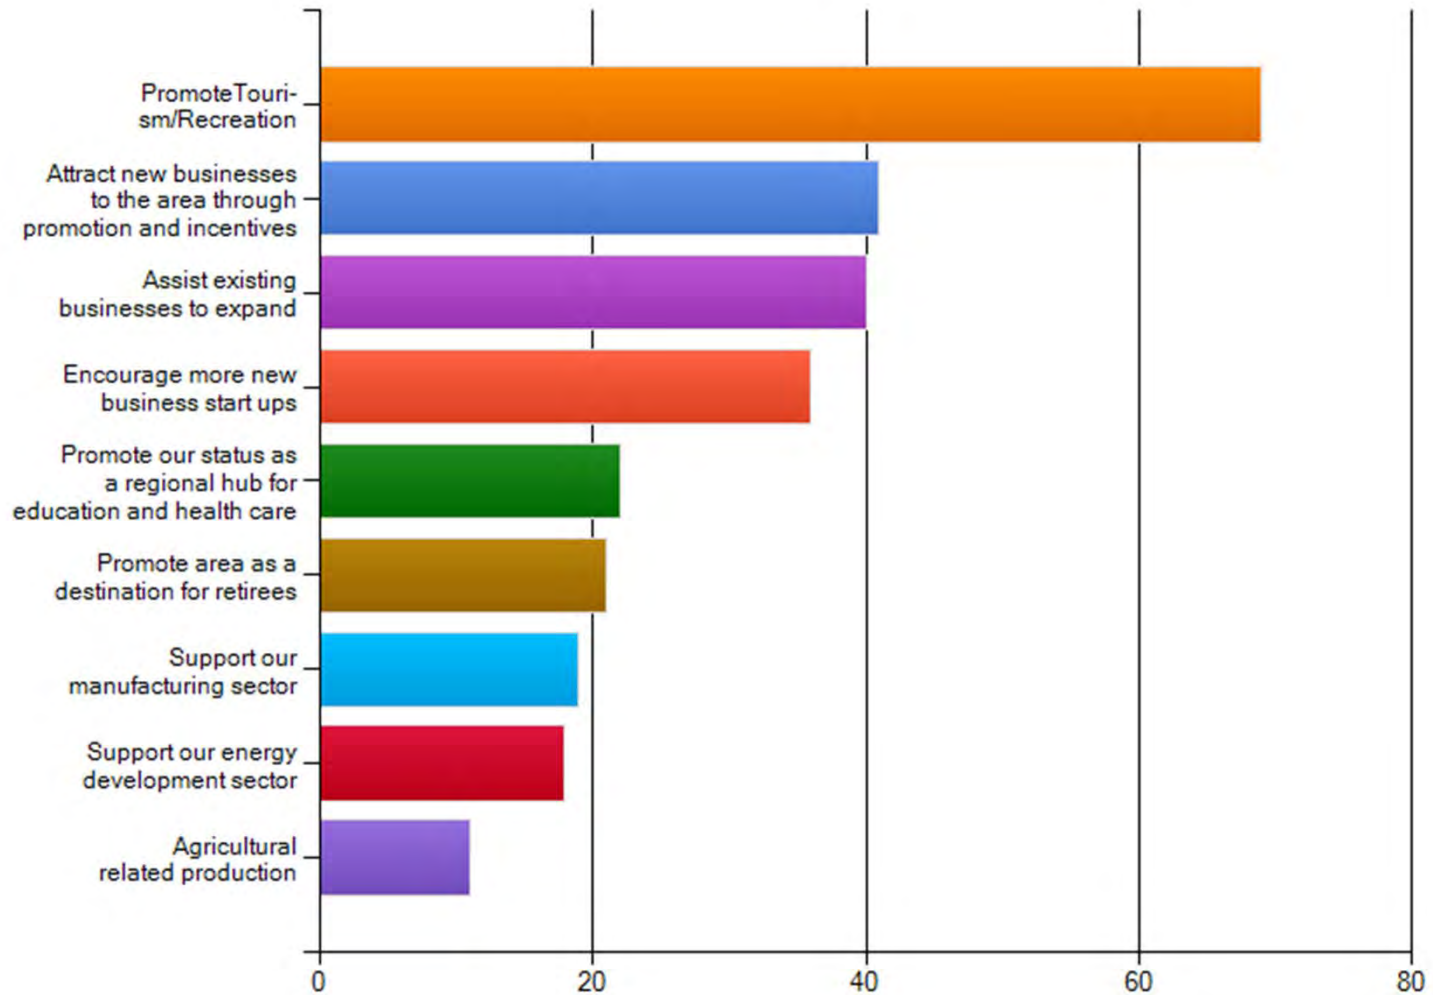

1. Why do you choose to do business in the county? (choose only your top three reasons)

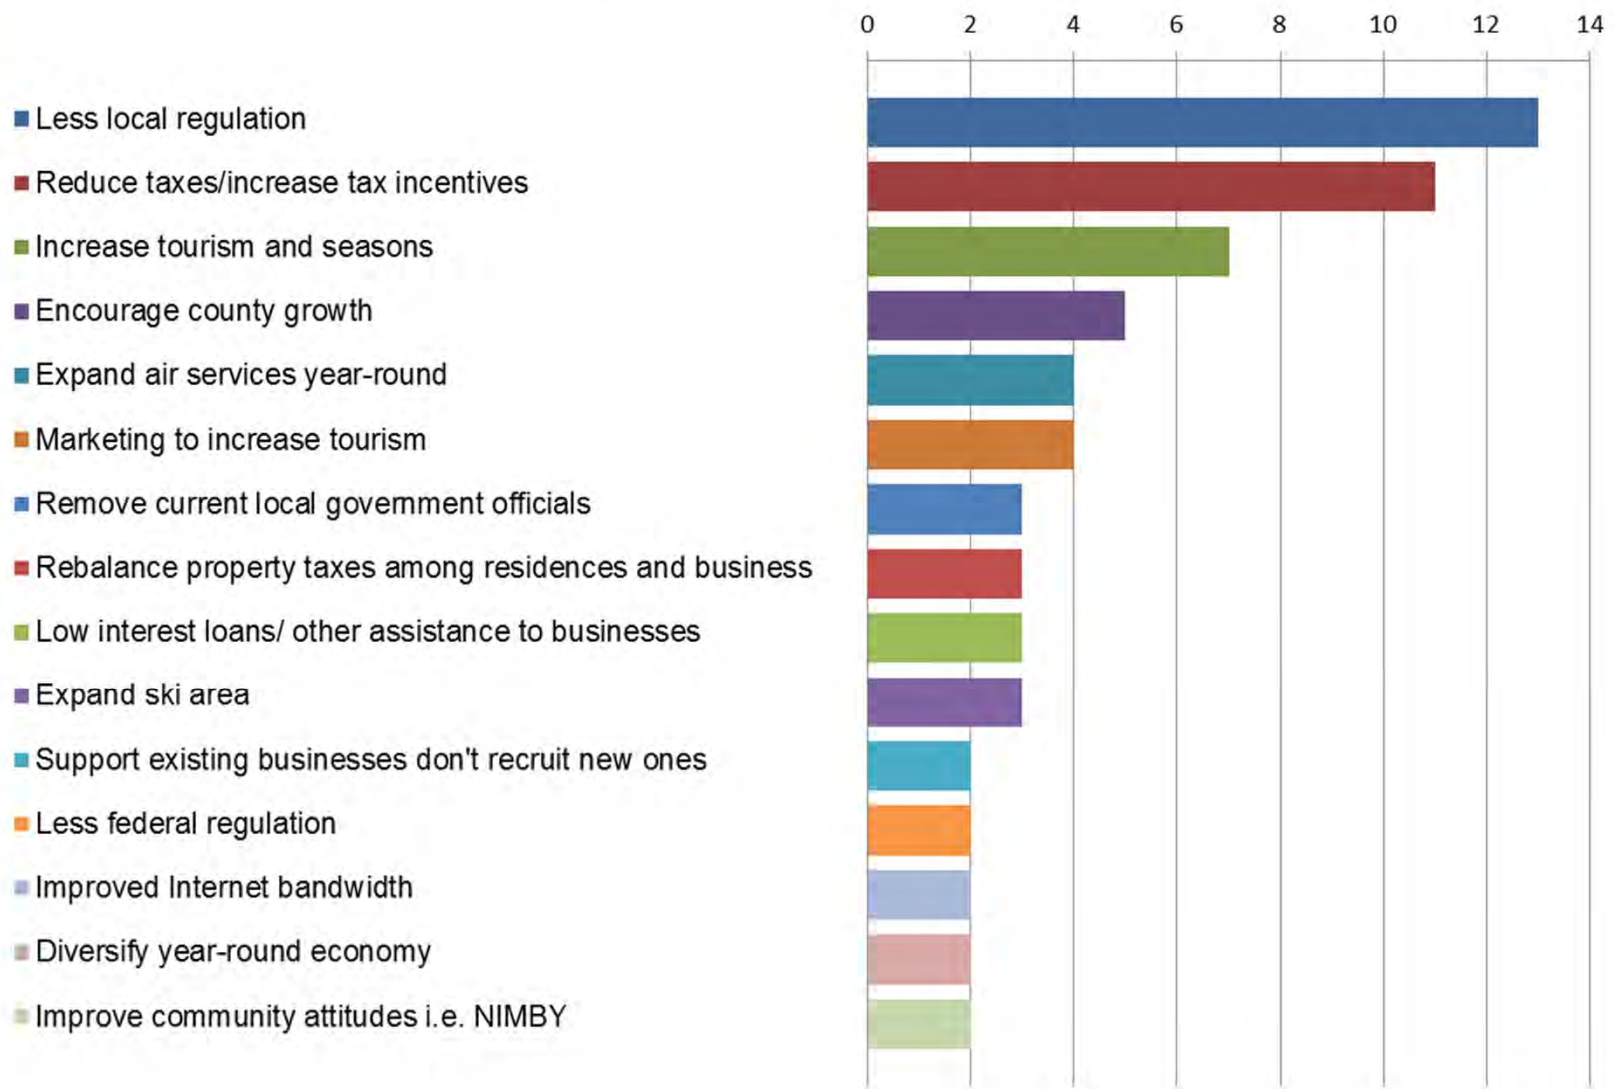

2. What are the major challenges you face doing business in the county? (again pick your top three)

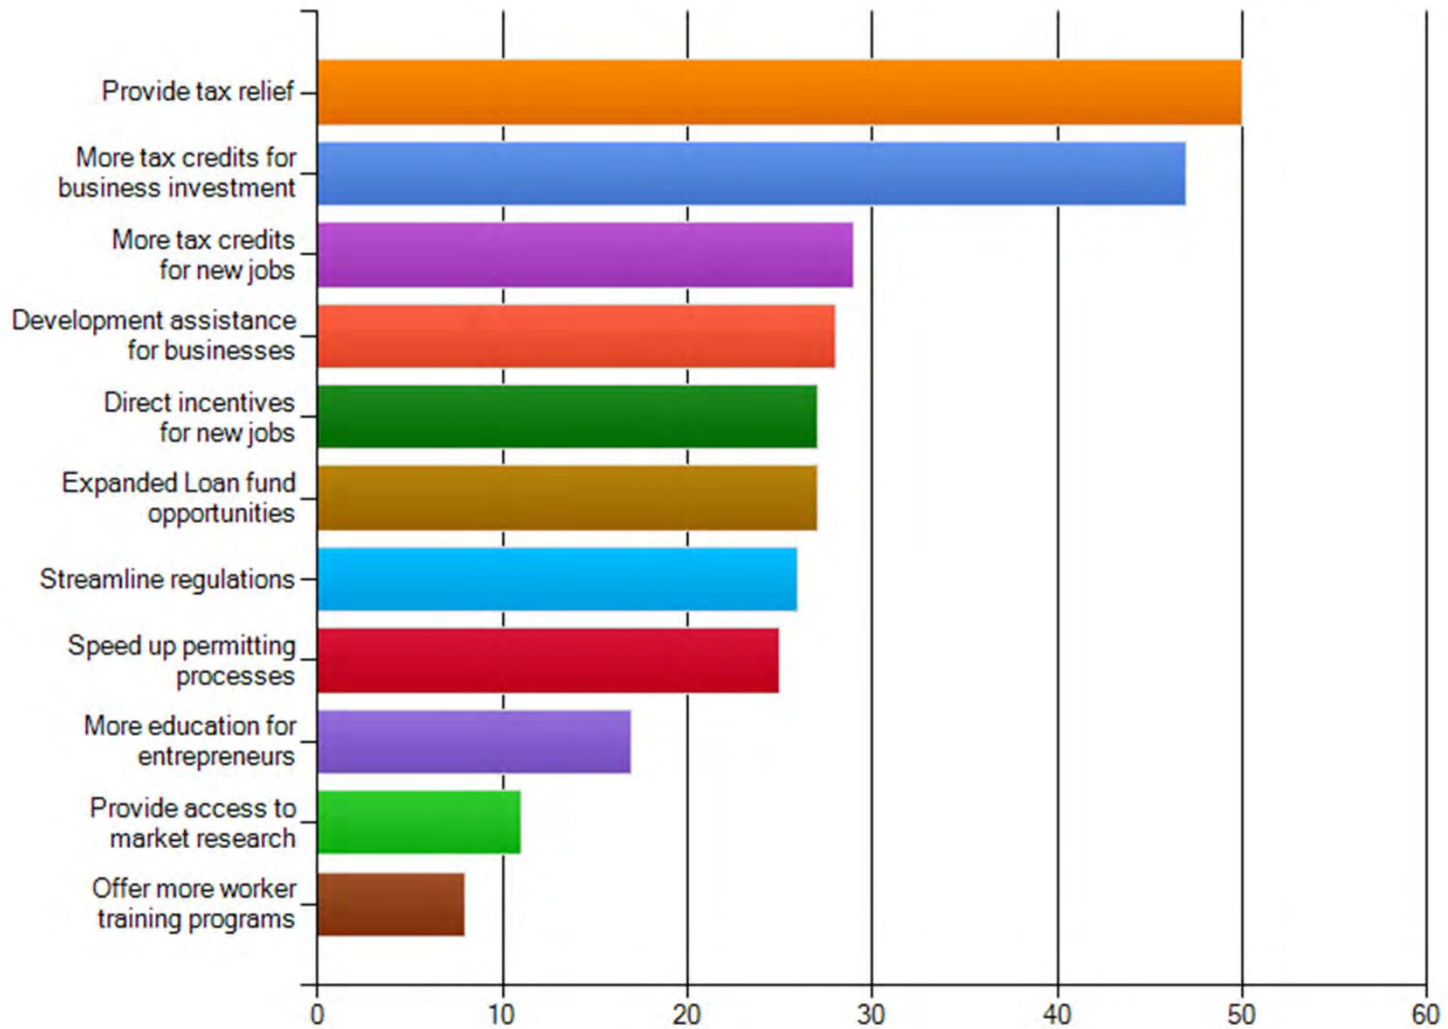

3. What do you see as some major opportunities for job creation and business growth in your county? (again choose only three)

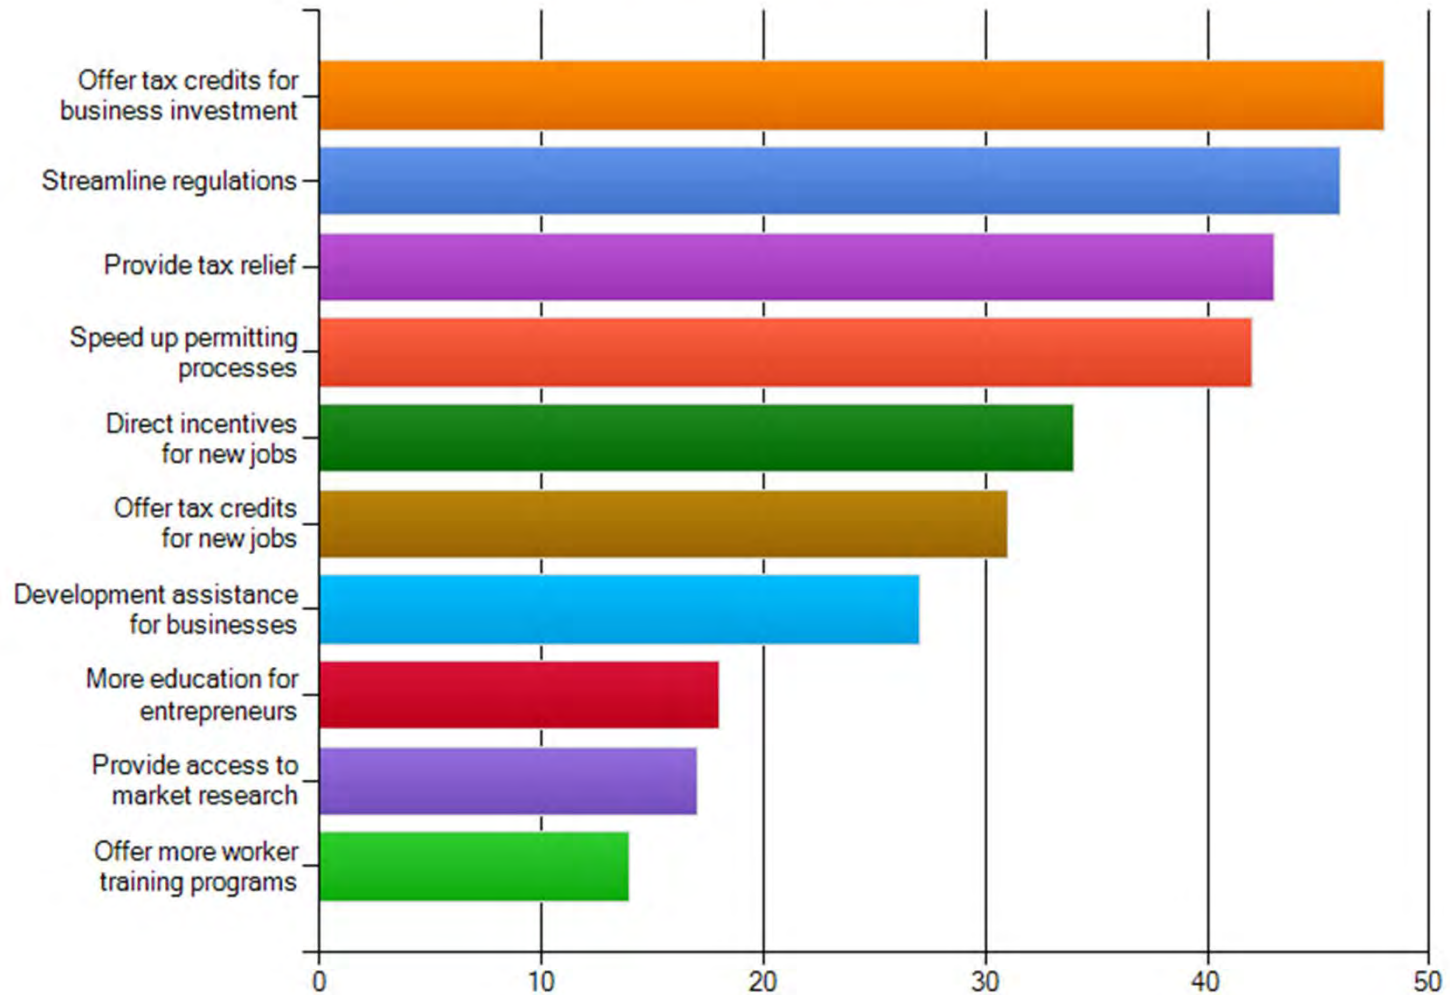

4. What ONE thing would you want to see done to help existing businesses in your county?

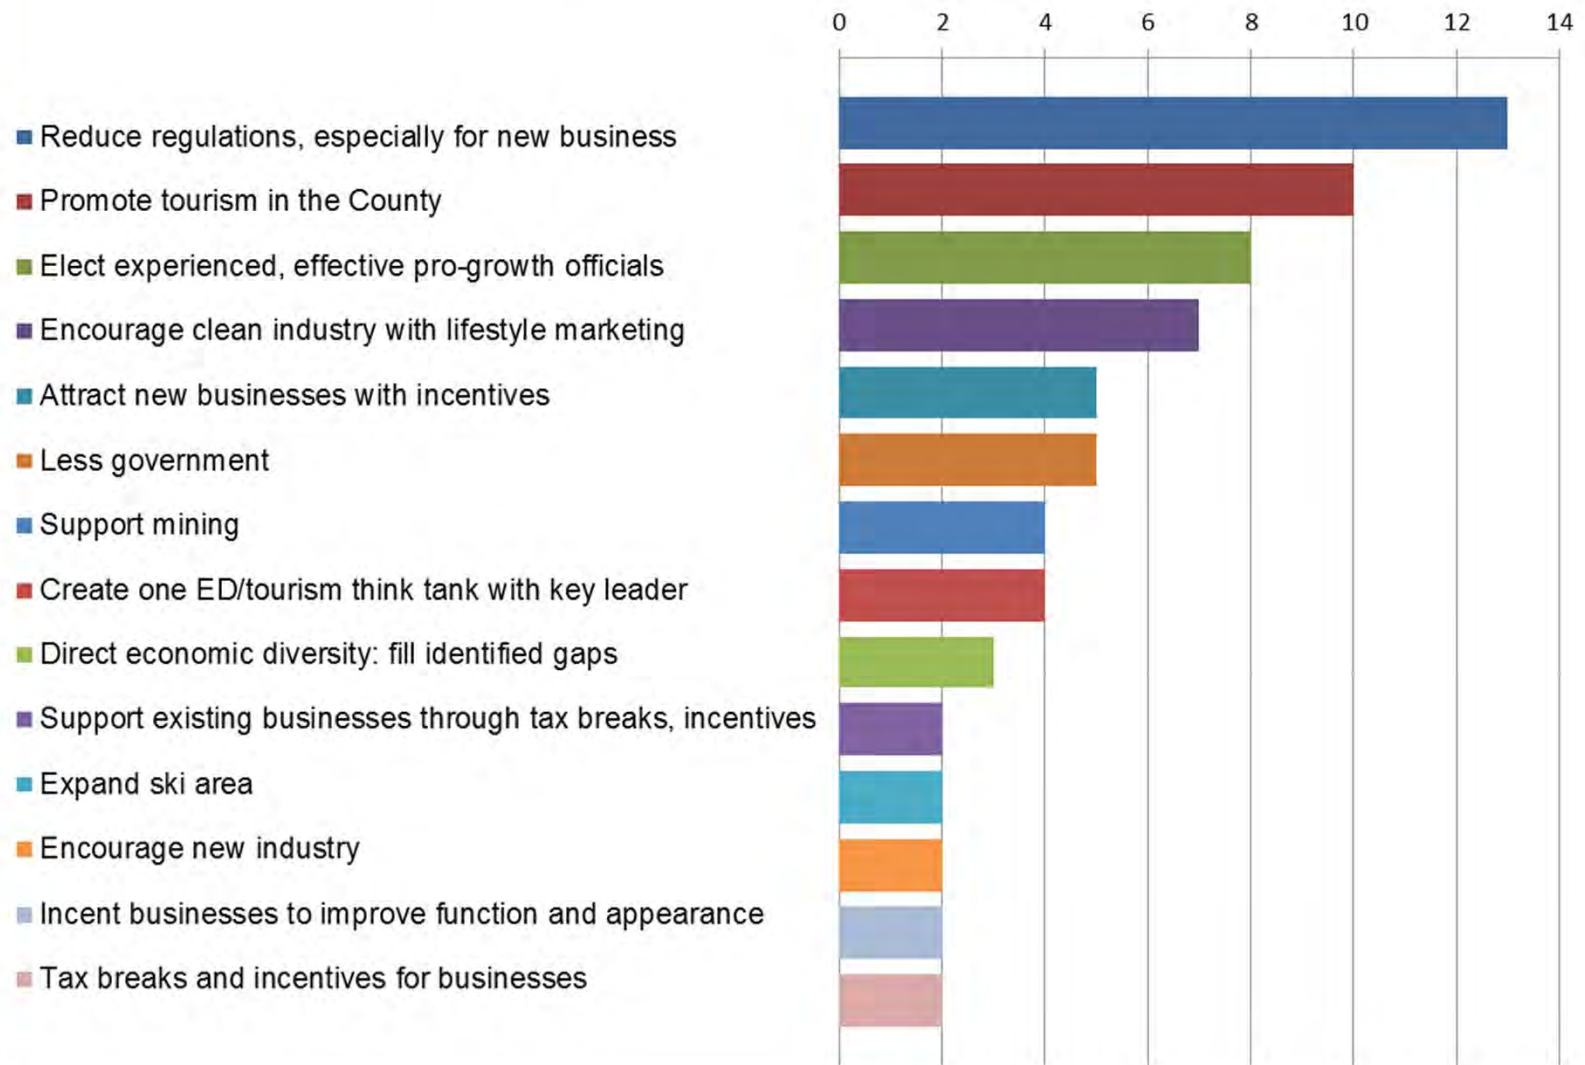

5. How should the State support job creation and the growth of local businesses?

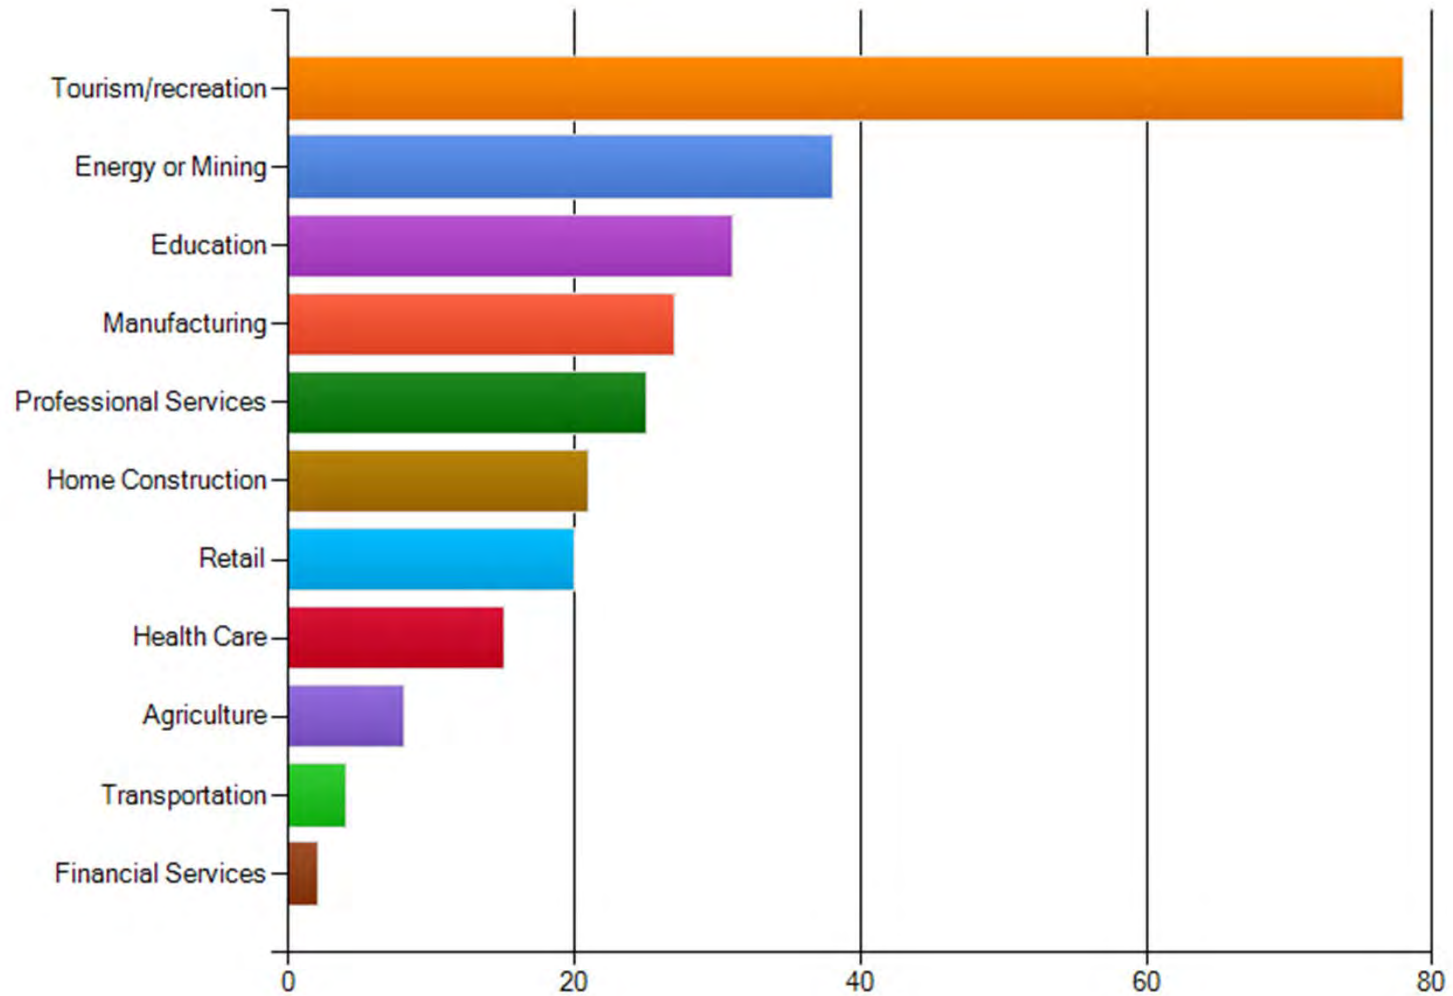

6. How should local communities and the county support job creation and the growth of local businesses? (check all you think apply)

7. What do you think would be a successful strategy for creating business growth and jobs in the county?

8. When it comes to future economic growth which sectors of the local economy do you see as having the best potential for growth and job creation? (choose two)

9. What is the size of your business?
